

Charity Excellence Funder List – New Grant Making Charities Jan – Jul 2020

This funder list has been created using data from the Charity Commission, OSCR (Scotland) and CCNI (Northern Ireland).

For anyone not used to using the Charity Commission’s data, see below and below that is the funder list by country. Click on the funder’s name to go to the data source, except for Northern Ireland, where I’ve downloaded what I could.

How To Use Charity Commission Data

To use the list, click on the number or name of the charity to go to its entry in the Charity Commission register. Look at activities to find out what it does and ‘Where it operates’ to see if it might be suitable for you. Click on ‘Contact & Trustees’ for their website and contact phone number/e mail their website to find out more. For more detail, download their accounts.
